Care

- Please give your child all important personal belongings (e.g. medication, diapers, etc.) and inform the care team on site about them
- No children with a contagious disease are looked after. (If there are sickness symptoms, such as coughing, sneezing, sore throat, conjunctivitis, etc., acceptance may be refused)
- The well-being of your child is particularly important to us - the Rekalino reserves the right to refuse the admission of children without giving reasons, or to temporarily exclude them from care at the Rekalino if the situation is intolerable for the child, the carers or the other children
- The parents/custodians must be always reachable by mobile phone. In case of an emergency, they will be notified this way
- In case of an accident, parents will be immediately notified by mobile phone. Accompanying the child to the doctor is the parents' responsibility. An accident requires quick action, and it is the carer's responsibility to immediately organize the necessary assistance and subsequently inform the parents
- The conclusion of insurance policies (liability, accident and health insurance) is the exclusive responsibility of the parents
- The Reka Holidays Terms and Conditions apply to Reka's services in connection with Rekalino

Declaration of Consent for Reka photographs

With my signature, I hereby agree that I delegate to the photographer all rights for any use and publication during the duration of our holiday of photographs taken of our child (details above). The photographer delegates all image rights to the Swiss Travel Fund (Reka) Cooperative. The photos will only be used by Reka in connection with publications by or about Reka in printed or electronic form. There is no temporal, local or content-related restrictions.
