Cool things to do on hot days

We guarantee an active and eventful stay for big and small guests also in the summer season.

– Start your day with a hearty breakfast buffet at signinahotel. Our **Kids Buffet** puts your little ones first and keeps them engaged right from the get go. If you choose to have breakfast in your apartment but don't feel like making it every day, order a «**Fridge Fill-up**».

– In the **Ami Sabi Summer Wonderland** your children learn all about local nature and will be professionally taken care of in our daycare.

– The **Hubertus Archery Park** offers a welcome break on your hike to hit some targets.

– The boat-launching at **Connbächli** is a special hiking experience for your little ones. The boat can either be made by yourself or purchased at the guest information in Flims.

– For endless fun and puzzles, follow the fox on the **Foxtrail**. Alternatively the in-house **treasure hunt** can be found in the kids adventure map.
